Leadership Insights: Dominion
Steve Arrington - Chief Information Security Officer, Genesco

On June 14th 2018 at the monthly AITP meeting we are to be treated to a top drawer presentation by Steve Arrington the Chief Information Security Officer for Genesco here in Nashville. Steve is writing a book on Leadership and he will share the ideas that for one of the chapters, "Dominion". This chapter shares Steve's experiences with delegation and the three essential elements that result in success. To find out what those essential elements are and get a sneak peek into Steve's new book come and join us and listen to this dynamic presentation.

Genesco tapped Steve in 2013 to be the first CISO for the 90 year old retailer. He is a savvy business and technology leader with over twenty years of hands-on experience in assisting numerous executive teams in achieving their IT strategic goals. He has a proven ability to deliver innovation by harmonizing visionary ideas with a pragmatic approach. He is responsible for leading all efforts to align strategic business initiatives with current legal/regulatory requirements and international security best practice models to maximize the confidentiality, integrity, availability and privacy of all Genesco data, systems, employees and IT assets.

Steve Arrington

Prior to joining Genesco Inc, Arrington was the Chief Information Security Officer for another Fortune 1000 company, Gaylord Entertainment in Nashville, Tennessee. He has a Bachelor's Degree in Business Administration from Stephen F. Austin State University in Nacogdoches, Texas and holds the following certifications; CISM, CISA, GLEG, CRISC and PCIP.
