"There's Trouble at Mill - Dealing with Workplace Uncertainty"
JP White - Scrum Master, Franklin American Mortgage

Our speaker is JP White who has over twenty-five years IT experience developing and installing large, complex information systems both here and overseas. This month JP will discuss how companies and employees deal with uncertainty in the workplace. During uncertain times, should you seek alternative employment or change workplace behaviors and interactions?

JP presently works for Franklin American Mortgage, a part of Citizens Bank, in Nashville, TN as Scrum Master. JP also sits on the TSU Advisory board helping to shape curriculum for the benefit of students and future employers alike. He previously was Project Manager – Software Development for five years with Servpro Industries, Inc. JP came to the United States to work for Embraer Aircraft Maintenance Services and was with them for fifteen years as Manager Information Systems and IT Consultant.

JP has been widely recognized for his IT leadership and management across many technical areas. JP has a B.S. degree in Computing in Business from the Huddersfield Polytechnic in England. He is a Certified Scrum Master and Kanban Management professional. JP and his family live in the

Hendersonville area of Nashville. He has also served admirably as AITP Nashville Chapter President for several terms. This should be an interesting session on a popular subject.
