Meeting Schedule

5:30 - 6:30 Social / Networking
6:00 - 6:45 Dinner
6:45 Meeting and Speaker Presentation

"Artificial Intelligence is here: Should we be thankful or scared?"
JP White - Scrum Master, Franklin American Mortgage

On January 9th at the next AITP meeting we are excited to have JP White will discuss the arrival of AI (Artificial Intelligence) and what we should be glad for and what risks are faced in the future as the technology literally invades our everyday lives. There are over seven billion humans with their own independent intelligence influenced by hundreds of cultures. Artificial intelligence is in the hands of just nine mega companies influenced by two cultures. Let's explore how the lack of diversity in ownership of AI might impact us in the future.

We will meet at about 5:45pm at Amerigo restaurant on West End.

Speaker Profile:

JP presently works for Franklin American Mortgage, a part of Citizens Bank, in Franklin, TN as Scrum Master. JP also sits on the TSU Advisory board helping to shape curriculum for the benefit of students and future employers alike.

He previously was scrum master with Healthtrust for 5 years and prior to that Project Manager – Software Development for five years with Servpro Industries, Inc. JP came to the United States to work for Embraer Aircraft Maintenance Services and was with them for fifteen years as Manager Information Systems and IT Consultant.

JP has been widely recognized for his IT leadership and management across many technical areas. JP has a B.S. degree in Computing in Business from the Huddersfield Polytechnic in England. He is a Certified Scrum Master and Kanban Management professional. JP and his family live in the Hendersonville area of Nashville.
