"The Vital, yet Overlooked Skillset"

Darryl Pace - Storage Consultant, Optimal Computer Solutions

Hope you all had a good Valentine's day, AITP meet this month on the 21st February.

So you just landed that deal or that next great job, congratulations. Want to take that success and take it to the next level? Well Darryl Pace has a great presentation to share with us this month. Darryl has learned techniques from his journey through life and will share the skill he has acquired. Technical skills may get you hired, soft skills will get you higher.

Darryl works as a storage consultant at Optimal Computer Solutions. He also consults with Advizex.

Darryl started his career as sys admin at TVA Knoxville. Later Darryl became a systems engineering consultant during the dot com bubble just before 2008. Darryl got his Bachelor of Science from Vanderbilt and Masters from UT Knoxville.

Darryl considers himself as a Knoxville native having moved there at 4 yrs of age. He is married to Teresa and has three kids, Olivia, Joshua and Lauren. Oh yes and

don't let us forget their dog Marcie a Golden Retriever.

Darryl used to be a body builder in his formative years, so call him Sir when you meet him :-). The Pace family recently enjoyed a vacation to the Grand Canyon.
